*My
commitment
is to:*

1. Draw near to God daily

Commit to Bible study and prayer, allowing the Holy Spirit to shape your life and lead you into mission.

2. Belong to a disciple-making community

Join or form a small group that meets regularly for prayer, Scripture, and encouragement.

3. Step into God's mission

Look for where God is already at work and respond—serve, share your faith, and engage in mission locally, nationally, or globally.
